

Absolute Value *demand forecasting and replenishment with absolute visibility*

While you are in Las Vegas for the Dynamics Communities 2011 Summit, you might get lucky in the casinos, but don't leave managing your inventory to luck! Stop by the Absolute Value booth, **#312**, to see the top 7 ways Absolute Value can provide you the tools for achieving effective inventory management.

Reason # 7 - **See** our world-class, best fit formula Forecasting and multi site Replenishment solution in action

Reason # 6 - **Learn** about the option for either In the Cloud or On Premise Deployment

Reason # 5 - **Discover** the proven success of our solution in Distribution's middle market

Reason # 4 - **Take advantage** of our low-risk of a minimal upfront investment with no long-term commitment approach

Reason # 3 - **Find out** how our Rapid Implementation Methodology allows you to get up and running in days not months

Reason # 2 - **Realize** how Industry Best Practices, including those of Jon Schreibfeder, create a platform for success

And Reason # 1 - **Register** for a chance to win an iPad 2!

We are excited about the opportunity to bring our world-class **demand forecasting and replenishment solution**, Absolute Value, to the Microsoft Dynamics customer base. Distributors know that effectively managing their **most value asset, inventory**, dramatically affects the bottom line. Let Absolute Value provide you with the tool to make that happen.
